

Read more: <http://robot6.comicbookresources.com/2010/11/comic-con-sales-temporarily-closed-by-technical-glitches/>

Technical difficulties this morning forced Comic-Con International organizers to close online membership sales within two hours opening. Only a handful of purchased were purchased, they say. Sales began at 9 a.m. PT, but complaints began to appear by 10:15. One commenter at Robot 6 was reportedly stuck in the first step of the registration process [...]
