

Read more: <http://robot6.comicbookresources.com/2010/11/lost-secret-wars-action-figures-emerge-from-the-1980s/>

Here's a fun piece of comic history ... back in the early 1980s, Marvel released their big crossover series Secret Wars. It was the series that introduced Spider-Man's black symbiote suit, brought She-Hulk into the Fantastic Four, drove a wedge between young lovers Kitty Pryde and Colossus, and spawned a toy line. Mattel released a [...]
