

Our friends over at Comicus have a revealing new interview with the actor, and below are just some of the highlights. To read the whole thing, simply click on the link below to head on over to the site. How did you get the role? And How Long Have You Been taking part to the shootings? I did an audition in London, and few days later I had an interview with Matthew Vaughn. Although my character is not one of the protagonists, I spent the whole time in the movie locations, that is four months in London, three weeks in Georgia and a couple of months in LA. Does the movie character of Riptide have something in common with the comics background characters (Marauders, Sinister, etc.) or has he been made over completely? We are not going to see Riptide's background in the movie, nevertheless it was very useful for me as an
