There's been some upset amongst fans about the obvious changes made to the wallcrawler's costume, mostly aimed at the lack of his iconic red "belt". Well, despite the speculation that there would in fact be one (and the only reason for it being absent from the official picture was due to it being torn off in battle) it's clear in the following video that it will in fact not be there come 2012. Check it out, and be sure to share your thoughts in the usual place! Thanks to ReallrOnMaN of SpiderMedia for the heads up! The currently untitled Spider-Man reboot is set to be released on July 3, 2012!
