

Legendary Pictures will be bringing some heavy hitters along to SDCC for their first ever film panel. In the press release issued they not only list the projects they will be showcasing which include Alex Proyas' Paradise Lost starring Bradley Cooper as Lucifer but reveal that Charlie Hunnam(Sons Of Anarchy) and Oscar nominated Japanese actress Rinko Kikuchi(Babel) have joined Idris Elba to make up the main cast of Guillermo Del Toro's Pacific Rim. Here is the press release in full.. Burbank, CA – July 6, 2011 – For the first time ever, Legendary Entertainment will hold a standalone panel to provide the Comic-Con® International audience with an early look at some of the films from Legendary's upcoming slate. On Friday, July 22nd, audience participants will have the opportunity to attend an engaging panel consisting of cast and filmmakers from upcoming Legendary films including PACIFIC RIM, SEVENTH SON and PARADISE LOST, all to be
