

This summer, Marvel Studios is bringing to life two of the AVENGERS in THOR and CAPTAIN AMERICA: THE FIRST AVENGER. But their adventures don't end on the silver screen. Pick up this 48-page book for two whole new stories starring Thor, Cap, and all your favorite characters from the films! Citadel of Spires: When Fandral—one of the Warriors Three—is taken captive, it's up to Thor, Sif and Loki to get him back... despite going up against one of the fiercest creatures in the nine realms! U-Base: When Hydra's U-Boats take out an Allied target, it's up to CAPTAIN AMERICA and his HOWLING COMMANDOS to strike back! The heroes sneak in to a Hydra U-Base, but there they find that the tentacles in the Hydra logo might not be simply symbolize! From FRED VAN LENTE (Amazing Spider-Man, Incredible Hercules) and RON LIM (Silver Surfer, Infinity Gauntlet) comes a duo of Adventures from
