

Below are a selection of excerpts from the live feed over at Newsarama, but to read the report in its entirety, be sure to click on the link below to head on over to the site. For those of you who, like myself, were expecting any big revelations about the relaunch or even movie news will be disappointed, but there are a few interesting tidbits about the new status quo of the DC Universe. -"This really is the ultimate book," Lee says of Justice League. -Johns on membership: "Our first arc is the origin of the team. It takes place in the past, and the next arc will take place in the present." -Johns said that when Green Lantern first meets Batman, he's going to ask "what are your powers?" The initial relationship between these characters will be explored. -Johns said the three words he uses to describe what they're doing is
