

In case you weren't already aware, here is a basic synopsis from creator Mark Millar about the concept of the series, which is set to be adapted to the big screen by director Nacho Vigalondo. While we've seen a handful of the following pieces of concept art before, here is the full set featuring all of the character who will feature in the series. Any idea which actors would be a good choice to play them? Be sure to share your thoughts in the usual place! "This is another one of those really simple concepts – all the superheroes live in America, so why do the supervillains always commit crimes in Metropolis, Gotham City, or Star City? Why don't they just go somewhere where there are no superheroes? It would make life an awful lot easier for them. I remember thinking that if I was the Joker or the Mirror Master or
