

I still don't like the American accents, but it looks like it could be fun. Then again so did Clash Of The Titans! Momoa is not a worry for me after seeing him excel as the quite similar Khal Drogo in HBO's Game Of Thrones. Either way, we'll find out for ourselves when the movie hits theaters August 19th. Having thrived and evolved for eight consecutive decades in the public imagination- in prose and graphics, on the big screen and small, in games and properties of all kinds- Conan's exploits in the Hyborian Age now come alive like never before in a colossal 3D action-adventure film. A quest that begins as a personal vendetta for the fierce Cimmerian warrior soon turns into an epic battle against hulking rivals, horrific monsters, and impossible odds, as Conan realizes he is the only hope of saving the great nations of Hyboria from an encroaching reign
