

"The only rules that mean anything here are the ones we make ourselves. Your honor code can't help you here. Reach out with your soul -- and see what's at stake. We clash on the ultimate battlefield for a prize too precious to lose -- too vast to be caged by your cramped comprehension. The only prize that exists. Existence itself."--DARKSEID --> Who is DARKSEID? DARKSEID is a DC Comics supervillain who first appeared in Superman's Pal Jimmy Olsen #134 (November 1970) and was created by writer-artist Jack Kirby. DARKSEID is one of the most powerful characters in the DC Universe. He is worshiped as the "God of Evil", DARKSEID is the supreme monarch of planet Apokolips, considered as one of Superman's greatest adversaries, and he seeks to control all living things with the Anti-Life Equation.
