

Not long after the awesome 4 minute preview shown at WonderCon, UK fans will have the chance to see even more new footage from Martin Campbell's Green Lantern at Kapow! this weekend. As well as the premier of the latest DC/WB animated feature, Green Lantern: Emerald Knights.. “Just when you thought Kapow! couldn’t get any hotter, the Green Lantern footage gets announced. The UK premiere of Emerald Knights, plus footage from the Green Lantern film never before seen in the UK is certainly something that will make the weekend, if not the year, for all Green Lantern fans. Kapow! which is bringing the US Comic Convention experience to London is taking place at the Business Design Centre in Islington over the weekend of 9th & 10th April. This is one event that will leave all attendees counting down the days to Kapow! 2012. Tickets are only available in advance, and can’t be purchased on
