The Silver Surfer was born Norrin Radd on the idyllic planet Zenn-La (in the Deneb System in the Milky Way galaxy). His father is Jartan Radd, his mother Elmar Radd, and his half-brother Fennan Radd (Fennan the son of a woman Jartran was involved with after Elmar's suicide). All four are part of an ancient and significantly advanced civilization that has lost the will to strive or explore, leaving the young scholar Norrin Radd restless and yearning for something more than the idle pleasure pursued by his fellows. Faced suddenly with the total destruction of his world by planet-consuming Galactus, Radd strikes a deal with the seemingly omnipotent space-god. In return for the safety of Zenn-La and his lover, Shalla-Bal, Radd pledges himself to serve as Galactus' herald and to seek out other planets for the world devourer to feed on. In striking this bargain, Radd also satisfies his long-held desire
