Here's his first reaction when shown the picture of him in the newly designed Spider-Man costume that was revealed online just a few days ago: "It's cool right? That's cool man! I'm not going to lie, I'm kind of excited by that! It's ridiculous and surreal...I'm really kind of humbled by it." As for whether or not the tone of the reboot will be any darker, he said: "You'll have to wait a year and a half to find out!" It also looks like he's picking up some of Spidey's trademark wit as he joked about being invited to the Golden Globes: "I always thought I'd be invited to the Golden Globes as a seat filler, you know, when somebody goes to the bathroom. I'm just happy to come here and get a meal." The currently untitled Spider-Man reboot will be released in 3D on July 3, 2012!
