

Hey Folks, Celebrity-Gossip posted these photos of, Anne Hathaway in London. The photos were taken yesterday, and aren't too revealing. What's significant though, is her hair. This leads us to believe that her role, as Selina Kyle, will indeed have long hair. Although people have been reporting seeing Anne Hathaway on the TDKR London set, it still remains uncertain, wether or not she has shot any scenes till now. So tell me...Are you liking Anne Hathaway's look? The Dark Knight Rises stars Christian Bale, Anne Hathaway, Tom Hardy, Joseph-Gordon Levitt, Morgan Freeman, Gary Oldman, and Michael Caine. It's scheduled to hit cinemas July 20, 2012.
