These images have hit the net adorning t-shirts. The three grumpy looking blue gents are the as yet unseen in live action Guardians Of Oa. There is also a new image of Hal Jordan, Kilowog and Tomar-Re flying into action.. Here is a quick bio on the Guardians via Comic-Vine An immortal race as ancient as life itself, the benevolent Guardians of the Universe desire a peaceful, orderly existence for all living beings, as well the pursuit of their own enigmatic agendas. They never allow emotions to infect their thoughts and actions. The Guardians created the Green Lantern Corps, an interstellar police force that now patrols the universe's 3600 space sectors The t-shirts are available for pre order from Urban Collector(see link below).
