

The other day we saw the lower resolution version of this picture of Abin Sur but now we have the higher resolution version of it which gives us a much better look at what the character will look like in the film. In a universe as vast as it is mysterious, a small but powerful force has existed for centuries. Protectors of peace and justice, they are called the Green Lantern Corps. A brotherhood of warriors sworn to keep intergalactic order, each Green Lantern wears a ring that grants him superpowers. But when a new enemy called Parallax threatens to destroy the balance of power in the Universe, their fate and the fate of Earth lie in the hands of their newest recruit, the first human ever selected: Hal Jordan. Thanks to our own Zarina Romanoff (Black Widow) for the picture. 'Green Lantern' hits theaters June 17th.
