

In the following video interview, Cornish speaks about Ant-Man and Marvel's decision to remove the Hank Pym reference from Thor. He also speaks a little about Tin-Tin which he is also working on. Unfortunately he isn't very forthcoming when asked about specific Ant-Man script details.. In case you missed it the first time around, or can't watch the vid, one line that will appear in the script is: I am Ant-Man Along with Cornish, Ant-Man was co-written by Edgar Wright who will also direct.
