

Unfortunately, there is no embed code for the video interview between EpixHD and the two THOR stars, but here is my transcript of what they had to tell the site about their roles in upcoming superhero epic, The Avengers. To see it for yourself, simply click on the link at the bottom of this page. What's interesting about Hiddleston's comments below is that it very much sounds as if it will simply be him against the team. I mean, he's hardly going to blurt out anything about Skrulls or Kree, but this could be a sign that he'll be the movies main baddie! Chris Hemsworth: "Not much, you know? It's the alliance, or attempted alliance, of Thor, Captain America, Hulk, Iron Man and there's some big egos in that group. Certainly not an easy road. They have, they started a couple of weeks ago and I get on set in about a
