It seems that the role of Andromeda is to be recast for the sequel to Clash Of The Titans and Hayley Atwell(Who we will see as Peggy Carter in Captain America) is on the shortlist of actresses to play the part. Others include Georgina Haig (Wasted on the Young), Janet Montgomery (Black Swan), Dominique McElligott (Moon) and Clemence Poesy, who played Fleur Delacour in Harry Potter and the Deathly Hallows. Apparently Toby Kebbel(Dead Man's Shoes, Rocknrolla) is close to accepting the role of Agenor and veteran thesp Bill Nighy is being courted for Hephaestus. Sam Worthington, Liam Neeson and Ralph Feinnes are also set to reprise their roles in the Jonathan Liebesman directed sequel. Recently Worthington was quoted as promising more from this sequel, and basically admitting the first one was a load of old wank! Lets hope he's right. With these cast additions(provided they happen of course) it's certainly on the
