

It's been nearly 20 years since we saw the debut of 'Mortal Kombat' the video game, and last Tuesday we saw the premiere of Kevin Tancharoen's web-series 'Mortal Kombat: Legacy'. The premiere gathered mixed responses but overall, fans seemed to really enjoy it and the video reached over 1 million views in a very short amount of time. Well it would appear as though the fans reaction has not gone unnoticed as now there is talk about expanding the series to be available on DVD and possibly on TV. For those of you who don't already know, Warner Bros. is re-releasing the first two 'Mortal Kombat' movies next week on Blu-Ray. Eva Davis, general manager of Warner Brothers Premiere had this to say: "We're launching this production online now in conjunction with the new Mortal Kombat game, but we want to make this series available on DVD and potentially television," Kevin Tsujihara, president
