

While the reviews are evidently positive, initial thoughts towards Matthew Vaughn's X-Men: First Class prequel are taking a turn, labeled the greatest 'X-Men' adaptation yet. And roughly 2 weeks from it's release, more & more Tv ads are showing up online. And the latest, and possibly greatest, has arrived with tons of action-packed footage. X-Men: First Class charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lensherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies, they were instead at first the closest of friends, working together with other Mutants (some familiar, some new), to stop Armageddon. In the process, a grave rift between them opened, which began the eternal war between Magneto's Brotherhood and Professor X's
