

Relationships are tested when a small town experiences extraordinarily fantastic "other-worldly" events. This sci-fi film stars Joel Courtney, Zach Mills, Elle Fanning, Kyle Chandler, Noah Emmerich, Ron Eldard. Thanks to Firstshowing.net for the poster. I'm sure you will agree that this is taking the whole early Spielberg homage and running right to the mother ship with it. Anyway, works for me! Super 8 hits theaters everywhere June 10th.
