"Unlike last time, where Holmes kept getting Watson into trouble," Sherlock Holmes himself, Robert Downey Jr said, "this time Watson is getting Holmes out of trouble, and they're both in deeper trouble than I think the audience could have imagined we could go...All manner of nastiness has just occurred." "They get their hands on a few things that were a little ahead of their time," Susan Downey reveals. Jude Law, who plays Doctor Watson, also promised fans that there will be plenty of other surprises this time around as well: "We have no intention of going back and patronizing people by re-covering the same ground." Robert "Iron Man" Downey Jr finished by sharing his thoughts on sequels, and the best way of getting them right. "Look, I've done a sequel or two now — I feel like I should be in a recovery group for sequel-itis survivors. First, there is a bit of
