

Nicktoons: Voltron Force stays true to the concepts that made the original such a success, but also takes the action, adventure and fantastical robotic creations to the next level," said Keith Dawkins, senior vice president and general manager of Nicktoons and TeenNick. "As a fan myself, it's exciting to see the saga continue and for our network to be part of the brand's legacy. LEEE777 - Voltron Force is a half hour animated series starting Thursday, June 16 at 8:30 p.m. ET and launches with a 90-minute movie.
