

Since we first heard whispers about 'Prometheus', it's been hidden behind an extremely thick shroud of secrecy, and not much has changed other than a few possible spoilers and plot details that have "leaked" out. According to the site MarketSaw, a very trusted site of theirs has revealed how 'Prometheus' will fit into the 'Alien' universe. As I said, these spoilers definitely fit in with what we've heard from other sources so far but either way, take them with a grain of salt for now.

Possible Major Spoilers Ahead "Ridley Scott's sci-fi movie, currently going by the name Prometheus, is going to be a very large and intense story, with a scope that is epic, the final act is where the movie switches gears and shifts into Aliens territory. Pinewood houses an exact replica of the H
