

Collider's Steve Weintraub is currently participating in a video press conference with Sir Michael Caine and has asked him about The Dark Knight Rises which is currently shooting in London. The actor went on to praise director Christopher Nolan and joke about how secretive he can be, but also seems to drop a spoiler at the same time.. It's fantastic. I started filming last week and I film next week. As the butler, I do a load of filming at the beginning and everybody goes off and does all the adventures and they all come home shot to pieces and I patch them together when they all get back. Christopher Nolan, I think, is one of the greatest directors in the world and I've been lucky enough...this is my 5th movie with him. It's such a pleasure to work with him and he's so clever. We've all
