

Though next week isn't the finale I thought I should share with you the latest promos on the finale 2 hour episode that I'm sure will not dissappoint. Now being that I'm sure their have been many of us that have grown up with Smallville, And it's had it's ups & downs & I am not gonna go into detail with the screw ups. We have either loved or hated the show on some moments but lets not forget 10 seasons is one helluva ride. Promo #2 Promo #3 By the way, these promo's have me pumped for the finale & I can't wait
