COLLIDER recently talked with actor Stephen Lang during the Television Critics Association Winter Press Tour. He was there in order to promote Terra Nova but topics ranged from Avatar to Conan and playing the villain in general. What we want to know more about is his time on Conan The Barbarian. This from COLLIDER... What kind of character are you playing in Conan The Barbarian? In Conan, I'm playing an evil, evil, evil warlord. He's wonderful. I am Khalar Zym. I am Death. What was the experience of making that film like, and how is this incarnation different from other versions of the characters? We shot Conan in Bulgaria, which was the perfect place to shoot it. It's real rugged and very colorful and very low-tech. Every department head was just top notch. I was very proud of the make-up and wardrobe and the look of the character, which to me is very important. And, there
