This from Yahoo Movies: "January isn't a time that usually sees big midnight grosses, so Sony was pleased that "Green Hornet" - which earned an estimated \$550,000 at midnight showings - did comparable business to summer titles "Salt," "Grown Ups" and "The Other Guys." As of today, the film, starring Seth Rogen, Jay Chou, and Cameron Diaz, will be showing in a total of 3,584 theaters domestically! Lansdowne5: So CBMers, have you seen it yet? Are you planning to!?
