

In hopes to alleviate Gene Colan's faltering condition, his family are selling of the last of Gene's artwork, as well as some of his books and comics. I know this is a terrible thing to even post and very inappropriate but the possible benefits certainly outway the "news". And what better place to post this than this site, knowing that so many here are probably very interested in some of his collections. To place a bid send an email to cliffmeth@aol.com - put "Colan Auction Bid" in the subject. In the body of your email, indicate the item # that you are bidding on and its description. Bidding on all items will end on Sunday May 8 at 11pm EST and winners will be notified. The incredible collections is as follows: BOOKS: 1. Altered Carbon by Richard K. Morgan (hardcover, limited edition from Subterranean Press) signed by Morgan; only 500 copies issued – starting
