

"Do you know what happens to a TOAD when it gets struck by lightning? ... The same thing that happens to everything else."--Storm --> Who is TOAD? TOAD is Mortimer Toynbee a Marvel Comics super villain. Created by writer Stan Lee and artist/co-writer Jack Kirby, he first appeared in X-Men #4 (March 1964). TOAD originally appeared as a weak, hunchbacked mutant, with a superhuman leaping ability. First Appearance TOAD was thought to be mentally inferior due to his extreme shyness and mild learning, though he was actually quite intelligent. Based on years of abuse and knowing he was a freak, Mortimer developed a severe inferiority complex, becoming servile to anyone that showed him the slightest bit of affection. This is the reason why he joined Magneto's original Brotherhood of Evil Mutants. TOAD believed that Magneto loved him, while the mutant mastermind considered this henchman little more than a human shield. TOAD
