Though near-concluding, filming for Sony & Marc Webb's revision of The Amazing Spider-Man is well underway in Brooklyn, New York. The latest images from the set depict of Andrew Garfield, out of costume as 'Peter Parker,' sitting atop a roof. Also provided via Twitter, are various set reports of what filming consited of. Also with sightings of Emma Stone & Martin Sheen, check it out! UPDATE: A new set photo via Emma-Stone.Org reveals a monitor of the Scene. They're filming a rain scene right now--Peter and [Gwen] talk on his porch and she smacks him. Uh-oh. It's taken like ALL DAY. Andrew Garfield and Martin Sheen are filming Spiderman on Fuller Pl and Prospect Avenue! AWESOME Andrew Garfield as Peter Parker chatting with Uncle Ben at the Brooklyn Spider-Man set. Loving the glasses. Can't get close enough 4 vid. Sad scene, [Gwen] cries & slaps [Peter] & he just looks broken. A crane that makes rain. Apparently
