

Firstly, Deadline have revealed just a few minutes ago that the sci-fi remake has been cancelled, bad news for those of you who were looking forward to finding out what happens next to Erica Evans and her new allies in Project Ares. It's official, there will be no sixth season of ABC's family drama Brothers & Sisters. And V won't return for a third season either. ABC just made the calls. Meanwhile, IGN TV have discovered that Fantastic Four rip-off which starred Michael Chiklis and Julie Benz has also been scrapped and will not be returning for a second season. ABC has cancelled several more series, as they firm up their new series orders for next year. No Ordinary Family, Detroit 1-8-7, Off the Map and Mr. Sunshine are all done. Are you disappointed about this news? Which will you miss the most? Be sure to share your thoughts in the usual place!
