

Faithfully adapted from the DC Comics characters and stories, BATMAN LIVE focuses on Robin's quest for justice, which leads him to follow in the footsteps of his hero, the mysterious vigilante known as the Batman - much to the dismay of his protective guardian, millionaire Bruce Wayne - who secretly happens to be Batman. A dazzling celebration of storytelling and stagecraft, BATMAN LIVE is at its heart an affecting coming of age story. Bruce Wayne and Dick Grayson - both orphaned at an early age - must first learn to overcome their own fears and forge their own family - along with Police Commissioner James Gordon and Bruce's trusted butler, Alfred Pennyworth - if they're going to survive the combined forces of Batman's larger-than-life rogues gallery: The Joker, The Penguin, Catwoman, The Riddler, Two-Face, Harley Quinn and Poison Ivy. So, what do you think now? Be sure to share your thoughts in the
