Since Kick Ass this is happening more and more. You would think after watching an actor get shot and beat to near death (Kick Ass) would detour any Spandex crime fighting by a random citizen in real life. But it didn't and now we have guys out there like Phoenix Jones. Phoenix Jones is one crazy guy but he's got nuts the size of two 1 ton wrecking balls, yet, the Man of Steel he is not. This from the SeattlePI: 'One of Seattle's self-proclaimed super heroes had his nose broken and was threatened at gunpoint Saturday, prompting police to again ask that he and others stop with the costumes and call 911.' Notice the beginning of the quote said 'One of'. Does this mean there are more Seattle Super Heroes waiting in the wings? Is this the first of a long line of broken noses and pistol whipped Petes? Phoenix Jones is having none
