

A couple of months back when I spied ahead at the titles of the upcoming episodes of Arrow I circled "Heir to the Demon" in my head as likely being one of the season's key episodes and it did not disappoint. So much happened on this week's episode that it's hard to believe it was crammed into a mere hour timeslot. To make room for everything the writers dispensed with any island flashbacks and kicked Roy Harper's character to the curb...
