

If you've been following my reviews, you'll know that I'm a big fan of a little series called C.O.W.L. A heady superhero period piece, C.O.W.L. follows the Chicago Organized Worker's League, America's first superhero union. It's a great concept, but more importantly, it's backed up by the fantastic world-building of writers Kyle Higgins and Alec Siegel. I actually brought the idea [...]
