

By: J. Michael Straczynski & Chris Roberson (writers), Eddy Barrows (penciller), J.P. Mayer (inker), Rod Reis (colorist) The Story: No, Superman—not the electric-blue costume! The situation's not that desperate! The Review: It's pretty obvious the original premise of Straczynski's storyline—Superman walking across the country, discovering the real America, or something—has largely faded from view. This [...]
